

What is a Research Library in the Network Era?

Creating
Future
for Libraries

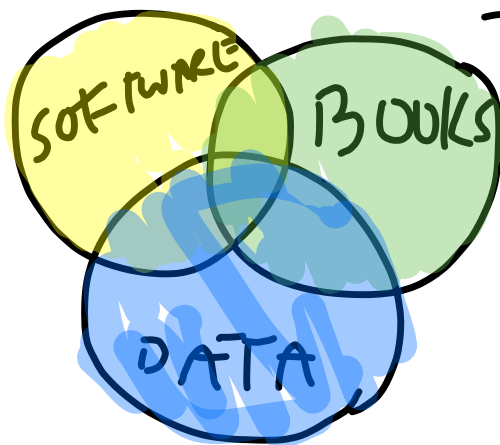

books

ebooks

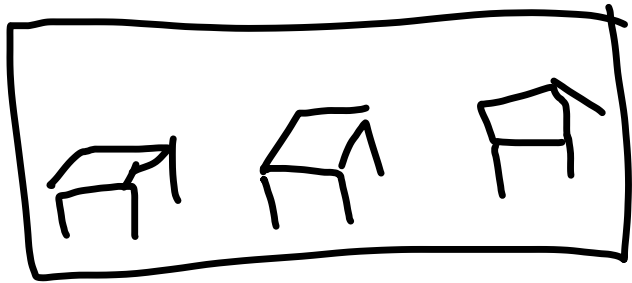

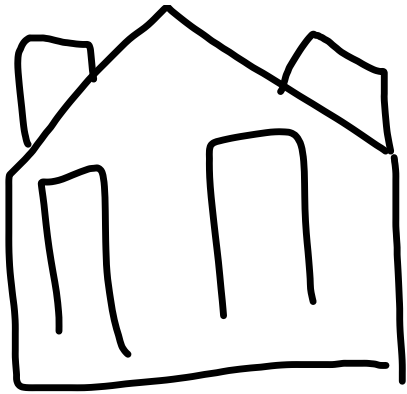

80% of budget \Rightarrow journals

} many new
entities to
manage

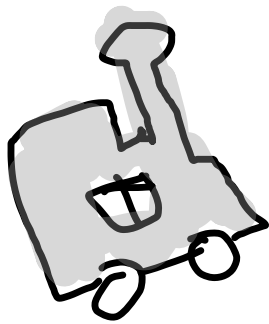

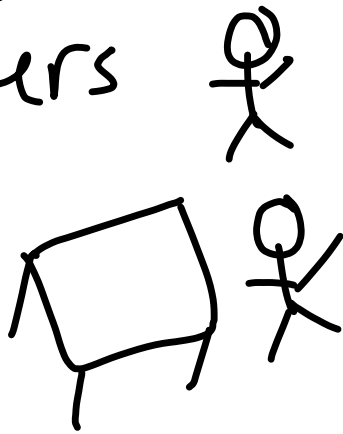

DATA & TEXT MINING

LIBRARY BUILDINGS
not designed for modern
usage

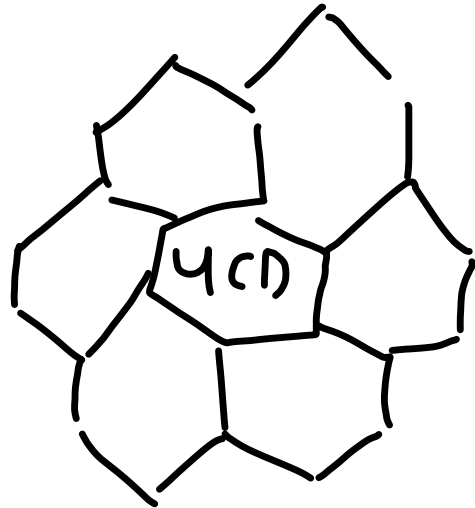

Libraries could be involved in providing tech access ...

- display walls
- 3D printers
- etc

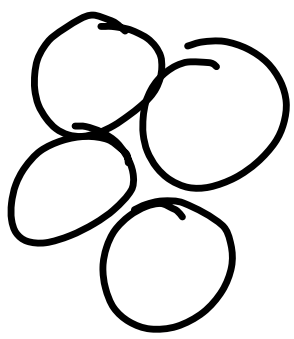

Library future is as network platform

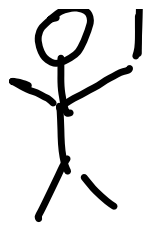

✓ a new

UCD deserves a library
on par w/ its vision

 Change is
inevitable -
deal w/ it

① - Data?
Vision for UCD

- vision
- other libraries

Data Governance

- law around data is messy

- publishers / institutions want to farm data

Preservation is big challenge

Web needs a data governance layer

institutions will

Digital...
happen - but it will
take forever

2090
journals
8070

LIBRARIES
WILL NO LONGER
HAVE TO
DECIDE WHAT
JOURNALS
TO BUY
