

Sen. Wirth Lowell Jett

Cold War used to define whole world.

Now that "war" is over ...

Im for environmental surprises
gone

H₂O in Amazon
garbage in ocean

w/ Soviet Union we tried to prepare for
"Worst Case" but w/ environment
we prepare for best case, or the
only 100% case.

«note - should emphasize T° changes
in fahrenheit?»

#1 actions

① Energy conservation

② awareness - because even if
changes don't occur now must
lay the groundwork.

right to life opposition to planning leads
to increase in abortions.

Colorado vs Ohio
US vs Brazil

- US must set examples
- must use "sustainable help"
- higher energy cost
- lower forest subsidies
