TERMS AND CONDITIONS

ATCC® is a registered trademark of the American Type Culture Collection. To retain authenticity, the ATCC® requests that recipients refrain from using the ATCC® Number for subcultures distributed to others.

*Cultures designated II, III, IV are known pathogens. Others may be pathogenic under certain conditions. The ATCC® requires that the persons or organizations receiving cultures from ATCC® assume all risks and responsibility in connection with their receipt, handling, storage and use.

Cultures designated as "Patent" were deposited in connection with a patent application. The ATCC® does not always verify the identity of patent strains. Release of these strains, use of which may be claimed in a patent, from the ATCC® is not meant to carry with it, and does not grant any license, expressed or implied, under any patent, or the right to use the culture in any process described in a patent.
