Dear Mr. Eisen,

We are pleased to inform you of your admission to the 1994 **Workshop on Molecular Evolution** at the Marine Biological Laboratory.

Due to your computer expertise, Course Director, Dr. Mitchell Sogin, has requested that you attend the course as one of ten designated computer workshop leaders. As such, you are asked to attend an important introductory meeting for leaders on August 7 at 1:00 P.M. in the lobby of the Swope Center. The course will officially open with a casual get-together that evening at 7:30 P.M. in the Meigs Room, Swope Center. The first course lecture will be at 9:00 A.M. on Monday, August 8 in the Whitman Auditorium, and the program will finish by lunch time on Friday, August 19. Standard accommodations (double rooms with meal plan) will be provided for the duration of the course, with check-out scheduled for the morning of August 19.

Enclosed is travel information and a map of the MBL campus which we hope will be helpful to you. Upon arrival at the MBL please check in at the front desk in the Swope Center (see enclosed campus map). If you arrive after normal business hours (8:00 A.M. to 5:00 P.M. We ask that you pay your bill, which will be sent out shortly, prior to the start of the course. For your convenience, we accept VISA and MASTERCARD.

**Should you have questions concerning housing, please contact the Housing Office for assistance.** The Education Office will be able to help you with all other matters; please feel free to call us. We look forward to seeing you in Woods Hole in August.
